Skills

JavaScript, React, HTML, CSS, Object-Oriented Programming, Figma, GitHub, Node.js. Fluent Spanish. Conversational French. Excellent communications skills, problem-solving, adaptability.

Experience

Seattle Public library/ Library Associate 4

Oct 2021 - Present, Seattle

Provide service to patrons in Spanish, English, and beginners ASL.

Assist patrons in finding social service resources such as shelters and food programs, as well as refer patrons to the Social Services Librarians and Community Resource Specialists.

Provide reference and reader's advisory at the Information Desk and through the Library's chat service.

Help patrons with printing, faxing, scanning, making copies, and troubleshooting tech related issues.

Columbia Branch Library/ Library Associate 2

Oct 2021 - August 2022, Seattle

Assisted patrons with printing/scanning and computer related issues.

Ordered supplies and ensured adequate levels of PPE for staff and patrons.

Ensured patron questions were answered by referring them to the Info Desk.

Intermezzo Carmine / Bar Manager

June 2018 - March 2020, Seattle

Hired, trained, and managed scheduled staff based upon team members' strengths and capabilities, and created weekly work schedules for 5 employees.

Handled inventory management, ordering, and maintained an overall beverage cost under 20%.

Met with vendors and salespeople on new products, incentives, and

training.

Improved customer engagement and repeat business by delivering outstanding customer service and ensured the overall smooth operation of the bar.

— Education

Perscholas/ Software Engineering

Learned the fundamentals of CSS, HTML, JavaScript and React, object-oriented programming, databases.

Metropolitan State College of Denver / Bachelors of English

— Projects

"Dealers Choice"/Bartending Application

For those who don't know what cocktails to make at home, Dealers Choice offers drink ideas based on ingredient input drawing on a database of classic and not-so-classic cocktails.

The Cat Page/Novelty Website

A novelty cat website dedicated to felines. Cat pictures, breed info and a cat toy store.

References available upon request.
